

LIMITED LIFETIME WARRANTY

EverEdge™ Series LVL & I-Joists

What Is Covered?

Weyerhaeuser's EverEdge™ LVL and I-Joists when properly stored, installed in a structure and maintained are warranted by Weyerhaeuser NR Company (Weyerhaeuser) for the adequacy of design values as published by Weyerhaeuser and manufacturing defects or delamination for the lifetime of the structure. This limited warranty is transferable.

Definition of Covered Conditions

Delamination is defined as extensive separation of veneers, or strands within the I-Joist web. Minor localized edge checking or separation does not constitute delamination. This warranty does not cover performance outside the United States; nor perceived defects due to:

- Prolonged exposure to water after completion of construction or long construction delays; fire, floods, fungal growth, natural disaster, or any other cause beyond Weyerhaeuser's control.
- Defects in the structure due to construction, installation or manufactured sub-assembly.
- Damage to the product prior to, during, and after installation.
- Noncompliance with installation instructions, applicable building code or generally accepted construction practices.
- Any alteration of EverEdge products after original installation.
- Mold, fungal decay or rot; termites or termite damage
- Any pressure or topical treatments

Note: Like any wood product, EverEdge products may be at risk for fungal decay or rot when exposed to repeated wetting or high-moisture environments; particularly if not properly ventilated or subjected to water leaks. For this reason, building construction, design and use features must ensure a "dry-use" environment.

What Weyerhaeuser Will Do

For inadequacy of design values (as published), delamination or manufacturing defect covered by this warranty, Weyerhaeuser will pay reasonable cost of labor and material for the repair or replacement of the covered EverEdge products; not to exceed 3 times the original purchase price.

What You Must Do

You must notify Weyerhaeuser of any claim under this warranty within 30 days of the discovery of the covered condition at the following address:

Weyerhaeuser Wood Products
220 Occidental Avenue South
Seattle, WA 98104

Upon request, you must provide Weyerhaeuser with reasonable proof of product identification in the form of a sample, a photograph of the identifying stamp or dated receipt. A Weyerhaeuser representative must be given the opportunity to observe or inspect the affected product prior to any alteration, change or repair.

Incidental or Consequential Damages

Weyerhaeuser's sole responsibility is as set forth in this warranty and Weyerhaeuser will not be responsible for incidental, indirect or consequential damages. Limitations or exclusions may not apply in some states.

State Law Rights

This warranty gives you specific legal rights, and may also have other rights which vary from state to state.
