RECREATIONAL ACCESS INFORMATION

Updated August 24, 2021

Please check our website, recreation.weyerhaeuser.com, for information about Recreational Permit and Lease opportunities.

ACCESS INFORMATION

Alsea Area:

- The South Toledo/1000 Line area is open to motorized access, along with the 1014 to Table Mtn, 1040, 1060, 1080 to 1040 junction and 3800 roads.
- **North of Highway 34** is open to walk-in use only.
- **South of Highway 34** is closed to public use unless within an ODF Access and Habitat Agreement or posted as Private Recreation Lease.
- Weyerhaeuser property off Hayden, Haines, and Honey Grove County Roads is closed to public entry.
- **Access is not allowed behind any areas posted with active operation signs.**

Mid-Coast:

- **Black Rock:** Most of this area is a permit area. Please visit our website for additional information. The Mill Creek gate is part of an Access and Habitat area and open for motorized access outside of fire season and closed to all access at IFPL 4. The Valsetz Mainline is open to motorized access up to IFPL 2 and non-motorized up to IFPL 3.
- **North Toledo/Siletz (North of Hwy 20):** The majority of this area is under an ODFW Access and Habitat Agreement. The Gorge Mainline Road is open for motorized access during weekends up to IFPL 2 and non-motorized access during weekdays up to IFPL 3. Non-motorized access is allowed behind locked gates up to IFPL 3. See gate kiosks and ODFW website for additional information. Follow all posted signs regarding the Travel Management Area restrictions and stay out of all active harvest areas.
- **Trask:** The Turner Creek Mainline and Barney gate are within an Access and Habitat area and are open to motorized access up to IFPL 2 and non-motorized up to IFPL 3. All other areas are open for non-motorized access only.

Clackamas:

- **Estacada/Hood River** is a permit area. Please visit our website for additional information. Weyerhaeuser ownership located east of Hwy 35 in the Hood River area is closed to all access due to high fire danger.
- **Molalla** is a permit area, please visit our website for additional information.

Snow Peak:

- **Snow Peak** is a permit area, please visit our website for additional information.

- Areas outside the permit area, Detroit, Green Mtn, 7-Mile, Thomas Creek, US Ply are also closed due to high fire danger.

When access permitted:

- Access is only permitted 1½ hours before sunrise and closes 1½ hours after sunset.
- Stay clear of all active work areas, obey all signs and do not block gates when you park.
- ATV, ORVs, motorcycles or motor-assisted bicycles are NOT allowed.
- When motor vehicles are allowed, they must stay on improved rock roads only.
- Target shooting, trash dumping, camping, fires, and removal of firewood or any special forest products is NOT allowed.

SCATTERED LEASE TRACTS

We have scattered leased tracts located throughout the Willamette Valley Region. These tracts are posted “**No Trespassing –Private Recreation Lease**” and are closed to all entry unless you have a lease.

Please check this message regularly for any changes that may occur.
