

LIMITED WARRANTY

Weyerhaeuser Edge Gold™ OSB Single-Layer Floor Panels

Limited Warranty

Weyerhaeuser Edge Gold™ floor panels (Edge Gold floor panels) are warranted by Weyerhaeuser NR Company (Weyerhaeuser) against delamination for a period of 50 years from the date of purchase by the end user when properly installed as single-layer flooring.

Edge Gold floor panels are warranted by Weyerhaeuser for a period of 200 days from the purchase date to not require edge sanding due to edge swell.

This limited warranty is subject to the terms, conditions and exclusions set forth below.

Definitions of Covered Conditions

"Delamination" is defined as an extensive separation of strands within a panel. Minor localized edge checking or loose strands on the surface of the panel does not constitute delamination.

"Edge swell" is defined as swelling caused by water absorption during the construction phase of the project.

Remedy

For any Edge Gold floor panel that Weyerhaeuser determines at its sole discretion does not conform to the delamination warranty, Weyerhaeuser will, at its sole discretion, pay for either the repair or replacement of the floor panel (at wholesale cost) plus a reasonable cost of labor.

For any Edge Gold floor panel that Weyerhaeuser determines at its sole discretion does not conform to the edge swell warranty, Weyerhaeuser will pay for the reasonable cost of sanding the affected seams only, not to exceed reasonable labor and equipment rental costs. Edge swell claims must be made and warranty work allowed to be completed prior to the installation of finish floor material.

Filing a Claim

Weyerhaeuser must be notified in writing of any claim under this warranty within 30 days of, as applicable:

- a) the discovery of warranted delamination; or
- b) the discovery of warranted edge swell requiring edge sanding and prior to initial floor covering installation.
