

Bank: DOLLY T - *Pine Savannah*

The Dolly T Mitigation Bank is located in St. Tammany Parish and is comprised of eastern longleaf pine savannah and slash pine flatwoods that encompass 1,473 acres. In addition to restoring 1,159 acres of intensively managed pine, the bank also enhances or preserves 215 acres of existing bayhead swamp wetlands, 69 acres of cypress/hardwood flat wetlands and 30 acres of uplands.
