

## RECREATIONAL LEASE MANAGEMENT (RLM)

### How to find a Club Seeking Members

Following are step-by-step instructions for searching and finding a club seeking new members.

- Step 1.** Navigate your web browser to our Recreation Access webpage: [www.wyrecreation.com](http://www.wyrecreation.com)
- Step 2.** Click on the “Club Seeking Members” text above the available lease listings to the right.
- Step 3.** Select your lease “State” and lease “County” of particular interest using the drop-down menus.

The screenshot shows the Weyerhaeuser Recreational Access Finder website. The navigation bar includes links for HOME, LEASES, PERMITS, RESOURCES, LINKS, and CONTACT US. The LEASES section is active, displaying a map of the United States and Canada with various lease locations marked by red dots. The map includes a zoom control and a 'Topographic' dropdown menu. To the right of the map, there are two columns of filters: 'State' (set to 'ALL (132)') and 'County'. Below these filters, there are two columns of lease listings. The first listing is for '152-052' located in Greenbrier, WV, with 45,922 acres, managed by the CLEAR CREEK ROD & GUN CLUB, and contact Jason Sloan. The second listing is for '152-090' located in Greenbrier, WV, with 145 acres, managed by the THREE OAKS HUNTING CLUB, and contact Martin Rudd. Both listings have a 'LEASE DETAILS' button. The 'CLUBS SEEKING MEMBERS' link in the LINKS section is circled in red.
